Sir,

In submitting herewith copy of letter No. 298, dated 28th/30th ultimo, from the Deputy Excise Commissioner, I have the honor to state that the consumption of Ganja in the Nelamangala taluk, which belongs to the Bangalore Range Supervisor, having fallen off considerably, the Supervisor made careful enquiries and ascertained that it was due to the illicit sales of Ganja carried on by certain ryots at Koramangala village in the Magady taluk, who cultivated and manufactured the drug in the said village. He kept a vigilant and careful watch over the village though it is situated beyond his jurisdiction, and caught the offenders red-handed

red-handed
while they were selling the drug in their house and also secured the whole of the ganja which had been concealed in pots and bags in their house. All the four persons concerned in the case, were convicted and punished by the Magistrate who awarded to the Supervisor a reward of Rs 35/- out of the fine inflicted upon and recovered from the offenders. The Magistrate has also remarked in his judgment, to the following effect:— "The Excise Supervisor Sreenivasiengar has greatly exerted himself in this case. It is highly commendable that he succeeds in detecting the offenders who were habitually carrying on illicit sale of ganja; & for this he is deserving of a special reward."

2. In the 2nd case referred to by the Deputy Excise Commissioner, the above Supervisor very cleverly discovered 102 ganja hemp plants which had been raised and concealed by the sugar-cane crop grown all

all round them, in Yemlur village, Bangalore taluk. The two offenders concerned in the case, were convicted and fined Rupees Fifty each by the Magistrate. In this case, the Magistrate gave no reward to the Excise officer who detected the case.

3. I concur in the opinion of the Deputy Excise Commissioner that the above Excise Supervisor is worthy of the grant of a special reward. The Deputy Commissioner of the Bangalore district has also commended the favorable remarks passed in the Supervisor's case to my consideration. Under such circumstances, I beg to recommend the grant of a special reward of Rs Fifty to the Supervisor, the charge being met from the available balance of Rs 863/- under the head - "Contingencies - Rewards and Secret Service", in the current year's Excise Budget. The sum recommended is equivalent to one month's pay of the Official.

Sir,

In continuation of my no. 36, dated 22/24 August 1898, I have the honour to invite your kind attention to the fact that some substantial encouragement should be shown to the members of the Executive staff who show unusual interest in their work, and perform their duties with extra zeal and integrity.

The case of the Bangalore Range Supervisor Sreenivasaiengar who has detected two Ganja cases and succeeded in getting the offenders punished, and who has been highly spoken of by all officers from the Excise Commissioner downwards

I would particularly bring to your notice

As

As it is not always possible to give sudden promotions, I recommended that _____ an immediate reward should be granted him. It is needless for me to point out the special claims in the case of this Supervisor, as you are yourself well aware of the facts of the cases and the difficulties he had to overcome, — especially in the case at Yemalur where there are some very influential men. By granting some consideration to this Supervisor it will not only show that his work has been appreciated, but also it will impress upon the minds of his brother officers of the Department that their cases too would be similarly considered — should their work at any time deserve it. I therefore beg to solicit that the Supervisor may be recommended to Government for special reward.

I have &c
